2003 Dedication

The 2003 yearbook staff is pleased to dedicate this year's Proctorian to

Mr. Arlen Bloodworth

Mr. Bloodworth attended Castleton State College where he earned a bachelor's degree in geology and became certified to teach mathematics and science. He also served in the United States Navy during the Vietnam War.

Throughout his 22 years in Proctor, Mr. Bloodworth has been involved in so many ways. He has been a freshman class advisor, activities coordinator/athletic director, has helped with the school newsletter, and has offered evening computer classes to members of the community, just to name a few.

Nicknamed "Bloodworth" by some and "Beaker" by others, he is the kind of teacher who always thinks of others first. He takes the things in life that he loves and finds ways to share them with his students. He has given incredible amounts of his own time and money to videotape school and community events, including most sporting events, the community talent show, the prom, and graduation. Each award handed out at a sports banquet is like a work of art, designed specifically for each student.

We, as students and faculty, have seen for so many years how dedicated Mr. Bloodworth is toward his profession. No matter what he does he always goes that extra mile for his students and the Proctor community. He interacts with his students on a different level, always bringing a smile to their faces. His positive attitude has been enjoyed by his students for the past 22 years and hopefully will be for many more to come! Thanks Bloodworth.

"The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past . . . we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. . . .I am convinced that life is 10% what happens to me and 90% how I react to it." ~Charles Swindoll

What I remember was an experience which changed my life was when I first came to Proctor. I was nervous because I didn't know anyone and didn't know if I should stay, but I decided to stay and I'm glad I did. I have made lots of friends here. So what I have to say is never give in when someone puts you down, look your oppressor in the eye and say you pick on me because you have fears about yourself, as for achieving goals try and try again and in the end it will work out!

Yearbook Staff

Offering yearbook as an elective this year has meant big changes in the way the book is put together. Staff members finally have time to work with one another and receive credit for all of their effort. No more long hours after school and no more sacrificing vacation days to meet deadlines. We have done our best to keep this year's design a surprise: we even circulated a fake green cover (to match our lockers) in order to throw you off track and we received *lots* of feedback. Hope we didn't lose any book sales over that one! We're proud to be one of the first schools in the state to "go digital". No more photos lost at the plant! Thanks staff for a great year. We did it!

Chinese Exchange Students

In February, fourteen students, two teachers, and one principal participated in the Chinese Student Exchange Program to Rutland County. Proctor sponsored two students from Qufu (the hometown of Confucius). Stacey McCullough hosted Chi Xiao and Jill Corbo hosted Wang Jun. Proctor students Americanized their names by calling them "Alexia" and "Mike". During their two week stay, Alexia and Mike visited various classrooms. They also spent their time doing a variety of activities including a visit to the state house in Montpelier, a lecture on the voting process at Green Mountain College, a tour of Hildene in Manchester, and cross-country skiing. They attended local sporting events and a formal celebration of the Chinese new year. It was great to have them here. Proctor students learned a lot about the Chinese culture and we wish Mike and Alexia could have stayed longer!

Varsity Boys Soccer

Back Row: Shaun Beyette, Will Spanos, David Parker, Troy Ault, Josh Dobart, Gary Pelkey, Ben Stein, Jared Weiss, *Coach: Ron Henderson*, Bradley Gordon, Jason Corbo, Kyle Greene, Kevin McMahon, Derek Blow, Jared Manning, Michael Harger, **Front Row:** Ronnie Cameron, Kevin Canty, Kenny Crowningshield, Brett Regimbald, Jeff Allenby

This year the Varsity Boys Soccer Team had an outstanding season with a record of 13-1 and impressive wins against long time rivals West Rutland and Division IV State Champions, Wilmington. They finished first in the State and were MVL Champions. Unfortunately their season ended earlier than most anticipated with a disappointing loss to Blue Mountain in Play Downs. They will miss seniors Jeff Allenby, Ron Cameron, and Brett Regimbald, but are returning a strong team and look forward to another great year.

Varsity Girls Soccer

The Lady Phantoms had a rough beginning with a few early losses, but by the end of the season they pulled it together and finshed with some impressive wins against Division III MSJ and #4 Seed Blue Mountain in the quarter finals. Their season came to an end with a disapointing 2-1 loss against Division IV State Champions Wilmington in the Semi-Finals. However, the girls made it deep into the post-season and had Wilmington shaking in their boots. This year the girls were led by their four senior captains Vanessa Anderson, Ashley Dahlin, Becky Jenne, and Kelley Ouellette. Coach Bjarne Skjetne returned this year after a one year hiatus to guide the girls to an overall record of 10-6-1.

This year's junior high soccer team got off to a slow start opening without a coach. A stand-in was found permitting the season to open on time. Initial outings against Rutland Area Christian School and Vergennes were successful. Mid-season was difficult but the Phantoms remained competitive. The final game of the season was a resounding victory at Poultney in near freezing temperatures.

Rock Climbing Club

The Proctor Rock Climbing Club practices every Tuesday after school at the Green Mountain Rock Climbing Center in Rutland. Once a month they compete against other schools from the area. Last year, the middle school team placed first and the high school team placed third in competitions including the Vermont State Championship Competition. There is potential for this year's team to do just as well. They are coached by Mr. Hopkins and Deputy Elrick.

Row 4 (Back Row): Sean Downes, Sam Davine, Sam Parker, Randy Cameron **Row 3:** Stephanie Walters, Ben Stein, Monica Nicholas, Kristen Evans, Jen Longley, Skylar Wilson **Row 2:** Craig Beyette, Topher Hunt, Hillary Tabor, Megan Leonardo, Kayla Anderson **Row 1:** Kyle Greene, Brad Gordon, Josh Westebbe, Rob Perry-Walker, *Coach Drew Hopkins*

Junior High Boys Basketball

7th Grade

Back Row: Ryan Connell, Luke Holland, Richard Maass, Jordan Snow, *Coach Vicky Guitar* **Front Row:** Randy Cameron, Jacob Tanner, Sam Davine, Kyle McQuarrie, Adam Falco

Though numbers were low this year, the boys maintained separate 7th and 8th grade team schedules. The junior high Phantoms were a relentless squad that gave no opponent an easy win. They were coached by Ms. Vicky Guitar in her first season at Proctor High.

8th Grade

Back Row: Chris Loso, Alex Salgo, DJ Barton, Zack Cavacas, Richard Maass, Kyle Trombley, *Coach Vicky Guitar* **Front Row:** Sam Davine, Craig Beyette, Randy Cameron, Kyle McQuarrie

Junior High Girls Basketball

The Junior High Ladies got off to a slow start but ended strongly. They ended the season by winning the Rutland Recreation Department's Tournament. The team was coached by Ms. Katha Pehm. It was her first year as a junior high coach in Proctor.

Back Row: *Coach Katha Pehm*, Bobbi Su Swenor, Kristen Leupold, Kendra McMahon, Katie McCormack, Jillian Tally, *Assistant Coach Christy Perry* **Front Row:** Jenelle Mullan, Ashley McCullough, Shaina Marriner, Kris Crowningshield, Hillary Tabor

Varsity Boys Basketball

The Varsity Boys finished up their season with 12 wins and 8 losses, in spite of their tough schedule playing many Division III teams. The phantoms went undefeated in the MVL-CVL Challenge with an early win against highly regarded South Royalton. They had a huge win over West Rutland at home, and a week later they won in an upset of equal magnitude over Otter Valley. They ended the season ranked 6th in the state in Division IV. Although losing senior tri-captains Jeff Allenby, Ronnie Cameron, and Brett Regimbald, the boys look forward to another strong season next year.

Back Row: *Coach Dick Wilcox*, Shaun Beyette, Shawn Blake, Kenny Crowningshield, Michael Harger, *AD Arlen Bloodworth*, *Assistant Coach Brian Finnigan*
Front Row: Josh Dobart, Ronnie Cameron, Brett Regimbald, Jeff Allenby, Kevin Canty

Varsity Girls Basketball

Back Row: Megan Parker, Stacey McCullough, Amber Garrow, *Coach Paul Dunchus* **Front Row:** Mallory McDonnell, Erica Manning-Hickey, Lauren Finnigan, Kristina Salerni

Despite their 4-17 record, this year the Girls Varsity Basketball team experienced a vast improvement throughout the season. They ended the year with close losses to rivals West Rutland and Division III Leland & Gray, and to Chelsea in the play-downs. Although low in numbers, the girls worked hard and learned to play together effectively, under the guidance of new coach Paul Dunchus. They are returning all seven players and look forward to a great season next year.

Junior Varsity Boys Basketball

The Junior Varsity Boys basketball team set a personal best for JV teams by winning twelve of their seventeen games. It may be the best record for the Proctor Junior Varsity program in the past twenty years. They were an aggressive team, coached by retiring coach Steve Allenby.

Back Row: *Assistant Coach* Jim Martel , David Parker, Seth Blaisdell, Gary Pelkey, *Coach* Steve Allenby **Front Row:** Dan White, Brian Perkins, Ryan Cameron, Greg Roth

Junior Varsity Girls Basketball

Back Row: Becky Beyette, Nicole Cavacas, *Coach* Rob Larson, Michelle Haley, Jessica Pehm **Front Row:** Jen Longley, Jill Corbo, Jenna Coughenour

As has been the case over the past few years, the JV Lady Phantoms struggled for numbers from day one. Under new coach Dr. Rob Larson, they started several games with no substitutes. Just a single player returned from last year's team so they had to start from scratch. But neither small numbers nor illness held the ladies back. Through most of the season, they charged into opponents as though they had players to spare.

Winter Track

For the first time in recent history, Proctor had its very own track team. With a team of five freshman, Proctor put forth a competitive effort every week. Out of these freshman, three students represented the school at the Vermont Indoor Track state finals held at Norwich University. We are all excited to see what comes next for all of our young athletes.

Back **Row:** Brad Gordon, *Coach* Franklin Dean-Farrar, Ben Stein

Wrestling

This year Andrew Thibault competed in Varsity Wrestling at the 189 pound weight class. He trained with the Otter Valley team, as he has for the past four years, under the coaching of Kyle and Pete Bearor. He competed in tournaments and meets all over Vermont, from Otter Valley to North Country, including the North South duals at Spaulding High School. He achieved first place at the Granville Lions Tournament in New York and second place at the St. Johnsbury Early-Bird Tournament, the Mt. Mansfield tournament, and the O.V. Invitational. He also competed at the state tournament and came in fifth place.

Buzzell-Gallus Award

Each year the Buzzel-Gallus Award is given to two soccer players who show team sportsmanship, unselfish contribution to team success, love of the game, and improvement throughout the season. This year's recipients are Brett Regimbald and Mallory McDonnell.

Buggiani Award

The Buggiani Award is given to two basketball players who demonstrate outstanding play, leadership, and sportsmanship on and off the court. They exemplify the true spirit of interscholastic athletic competition. This year's recipients are Jeff Allenby and Lauren Finnigan.

Year In Review

9/11 Memorial

Proctor students paused to remember September 11. Local representitives of the armed forces and public servants joined us as we recited the pledge of allegiance and listened to music played by Trevor McCullough and Mr. Audet. The memorial honored the citizens and rescue workers who lost their lives in the 9/11 tragedy and the public servants who continue to serve in our community every day.

Middle School Maritime Museum Field Trip

In the fall middle school students and teachers were immersed into Vermont's historical past. The students revisited the Lake Champlain battle site, the infamous location of Benedict Arnold's exploits during the Revolutionary War. Students also participated in an ecological survey of the lake where they sampled water quality and examined lake organisms under the microscope.

Mobile Minds

Mobile Minds is an alternative education program that focuses on academics, vocational education, and community service. In October 2002, Alicia Gallipo spent time with the elderly at a nearby nursing home where they carved pumpkins together.

Halloween Parade

The band played to the crowd and won 'Best Costume' with this year's theme:

Gilligan's Island

New Nile Orchestra

In September the New Nile Orchestra visited Proctor High School. They combined singing in the ancient Ethiopian tongues of Amheric and Geez with modern electric guitar, bass, keyboard, and percussion. The head singer/dancer Kiflu Kidane, wanted the audience to hear the ancient music he grew up with and be able to share the spirit of the dances that accompany it.

Japan

Mr. Tracy filled in as Principal for three weeks, while Mr. K traveled to Japan to learn about the Japanese education system and culture.

Homecoming

The weather didn't dampen the spirits of the phantoms as they pumped themselves up for the upcoming soccer games at Friday night's bonfire. Saturday was a full day. Both varsity teams tasted victory and there was a great turnout at the dance Saturday night.

Year In Review

Middle School TA

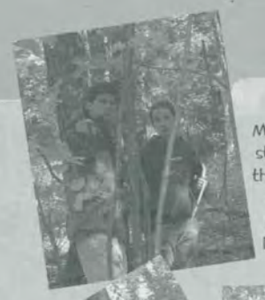
Each day for twenty minutes, middle school students participate in group activities. TA promotes social and emotional growth, organizational skills, self-direction, ethical problem solving, and goal setting.

Nathan Childers Trio

The trio worked with Proctor's Jazz Band in conjunction with Mr. Audet to improve their jazz skills. The group spent most of the morning working with students to fine-tune jazz pieces. They introduced students to various improv techniques, emphasized the importance of listening, and taught them how to play the "real blues." The rest of the school was treated to a concert by the Trio and Jazz Band in the afternoon. The entire event was sponsored by the Academic Boosters.

Rock Band Concert

This year's rock band, Trevor and the Spatulas presented a concert to the community in January.



Grade 9 and 10 Spanish students built this alter with its ofrendas (offerings) to deceased relatives and friends. El Dia de los Muertos or Day of the Dead, occurs October 31 to November 2. Modern Roman Catholic symbolism blends with that of the ancient Aztecs to create this significant annual Mexican tradition.

Spanish Day of the Dead

Mapping Trees

Mr. Hopkins's 9th grade Earth Science studied mapping and measuring techn this fall by mapping some trees in the behind the school. While they put t learning to the test, they also helpe locate an appropriate site for a pot ropes and challenge course.

National Honor Society Induction & Mrs. Vita Memorial Window

New Members were inducted into the National Honor Society in a ceremony held on January 10, 2003. Mr. Tracy, the keynote speaker, challenged students to continue their pursuit of the four pillars of NHS. New members include Cristina Bain, Kevin Canty, Jason Corbo, Ashley Dahlin, Stephanie DeBlasio, Lauren Finnigan, Holly Goodwin, Stefanie Gray, Michael Harger, Erica Manning-Hickey, Mallory McDonnell, Heather Moore, Kristi Pelkey, Amanda Parker, Megan Parker, Brian Perkins, Douglas Probst, Kristina Salerni, and Andrea Shahan.

Following the induction, the stained glass window was dedicated honoring the life and career of Mrs. Vita. Mr. Tracy, Mr. Wager, Mrs. Clark, and Mrs. Blair spoke about her life and the contributions she made to the Proctor community and encouraged students and community members who knew her to visit the stained glass window that was placed above the front entrance of the school in her memory.

Holiday Concert

The Holiday Concert that was held in December featured Concert Band, Jazz Band, Middle School Band, High School Chorus, and Middle School Chorus.

Junior High Peer Leaders VKAT Rally

Proctor Junior High Peer Leaders participated in the Vermont Kids Against Tobacco Operation Storefront Project, and then helped to present the results to Governor Douglas at the Vermont Kids Against Tobacco (VKAT) rally and march to the Statehouse in Montpelier on Wednesday February 5.

The 7th grade students caught a record number of frogs this year at the Proctor Pool during the Annual Vermont Frog Survey. The students identify, measure, and inspect each frog, and this year found only one unexplainable deformity.

Middle School Frog Survey

The time has come to say Good-Bye...

Mrs. Blanchard is the glue that holds the office together. She gives 110% day in and day out to make sure the school runs like a well-oiled machine. Without her knack for organization and eye for those important little details, the office would be in certain chaos. Mrs. Blanchard has a wonderfully precise way of explaining confusing paperwork and administrative matters. She is an accomplished woman whose shoes will be hard to fill.

Mr. Krulikowski is a friendly leader that knows the delicate balance of keeping a happy school and community. Because it is sometimes difficult to pronounce, his name has earned him the nickname "Mr. K." He has reached out to students and encouraged them to do their best, whether it is in an academic course, a sport, or an extra curricular activity. Mr. Krulikowski has only been at Proctor High School for six short years, but will be missed for years to come.

Mr. Wager, affectionately dubbed 'Wager' has been a wonderful friend and Phys. Ed teacher to students for 26 years. Whether it's in the morning at the cafeteria table, or in class, he always makes you smile. With his great sense of humor and down to earth manner, it's hard to walk away from Wager without your spirits having been lifted. His many stories have been both shocking and delighting to students and faculty alike for years. Wager stories will be a missed part of the Proctor High School experience.

Mrs. Blair is much more than a teacher; she is friend and a mentor to many. Mrs. Blair cares more about the health and well being of the entire school than anyone else. She has passionately taught geometry, algebra, advanced math, and calculus over the years with grace and patience. Her teaching style can make the most difficult math problems seem like a breeze. Her classroom has a homey feeling and comes complete with snacks, as well as warm blankets and sweaters. No student or teacher will be hungry or cold on Mrs. Blair's watch. She gently pushes students to reach their greatest potential, and is the first to congratulate you when you do.

...We'll miss you!
